If the team opts to bypass the bonus, the team shall heel by the bonus station; there is no penalty for bypassing the bonus.

Please see the Official Rules and Regulations for more details on the bonus exercise, including the list of exercises from which the bonus is selected for each class.

Jump Heights

Dogs are not required to be measured the day of the trial or prior to judging. However, judges have the option of measuring any dog prior to his/her performance if the dog appears to be entered in a group lower than might be indicated by his or her registered shoulder height. Jump heights may also be modified or the jump exercise excused entirely based on physical challenges (e.g. age, disability such as blindness, or use of a mobility device) that a particular dog may face.

The following table shows the recommended and minimum allowable jump heights based upon the dog's height at the withers. The selected jump height shall be indicated on the Entry Form. The "minimum allowable jump height" for each height category is the minimum height permitted without a Request for Modification being made. A handler may select a higher height at their sole discretion, but must have designated the height on the entry form.

Height at Withers	Minimum Allowable Jump	Recommended Jump Height
12" or less	4"	4"
16" or less	4"	8"
20"or less	8"	12"
Over 20"	12"	16"

Time Standard

Each course in all classes has a Maximum Course Time or "MCT". Should this limitation be reached, the course performance is over and the team's score will be marked zero. The following table sets forth the MCT for each class:

	Intro	Level 1	Level 2	Level 3	Veteran
