# SPECIAL ANNOUNCEMENTS

Splash 'n Dash K9 Sports presents their 14<sup>th</sup> annual  
**Spring WCRL Rally Obedience Trial**

## IRON DOG CHALLENGE

Ready for a challenge? Once again, we have one for you—the fourth annual Iron Dog Challenge. Think you can handle it—4 trials, 12 runs over 2 days? Many will enter, but there can only be ONE IRON DOG. *Is your dog that ONE dog?*

- *To be eligible for this Special Award, you must enter Levels 1-B, 2-B, and 3-B in trials 1 and 2 on Saturday and Sunday. In other words, you must enter all 4 trials.*
- *Highest combined scoring team in Levels 1-B, 2-B, and 3-B in all 4 trials will win the Iron Dog Challenge.*
- *Winner will be announced at the end of Level 3 on Sunday.*
- *In case of a tie, combined run times will be the determining factor.*

## SPECIAL AWARDS

*\*High Combined - Awarded to the highest combined scoring team in the Intro Class*

*\*To be eligible for this award, you must enter the Intro Class in both trials on a single day.  
Awards will be presented both Saturday and Sunday at the end of Trial 2.*

*For this Trial, there will be two rings, one will be a working ring the other a setup ring. This should minimize the time needed to prepare for the next class. Teams will be alternating between the two rings. When one class ends, the next class will begin in the other ring.*

***At no time will two rings be running at the same time!!!***

*Because of the two rings, there is less available crating space on the first level and will be on a first-come, first-served basis. There is ample crating space in the loft area. If you have special needs and must be on the first level, please contact Dawn Dinger, Trial Secretary: [dcartdog@gmail.com](mailto:dcartdog@gmail.com) and submit a request for a first-floor crating spot. We will do our best to accommodate your request.*

*We will have our wonderful raffle baskets, and there will be a Spring photo backdrop set up in the loft for you to take pictures of your dogs at no charge!*

Facility, Check-In, Crating and Food

***This is a climate controlled indoor trial on Field Turf***

Splash 'n Dash K9 Sports, Inc. will be open at **7:15 a.m.** ***Please do not arrive prior to this time.***

Judges' briefings and walk-throughs will precede each class. Walk-throughs will start at 8:00 am each day. The first dog on start line at 8:30 a.m.

Dogs may be crated indoors. All crates must be placed on a tarp or mat. You may also use the facility sanitized crates on a first come first served basis. Crates may be left at Splash 'n Dash overnight at your own risk.

Go to [www.rallydogs.com](http://www.rallydogs.com) for an explanation of each of the exercise signs and have fun practicing them with your dog.

**A and B Classes**

---

"A" classes are for dogs that have NOT earned the base level title for that level (i.e., RL1, RL2, RL3, RLV).

"B" classes are for dogs that have completed that base level title for that level.

**Intro Class**

Intro class is open to dogs 6 months or older, but dogs who have earned the RLI or RL1 or higher are not eligible for placement awards, if offered, in this class. There is no separation of Intro class into A and B classes. An Intro course has 10 exercise signs, including the bonus. Please see the Official Rules & Regulations for more details on Intro class, including when rewards may be given.

**Veteran Class**

Veteran class is open to all dogs over the age of 8; dogs 50 pounds and less than 90 pounds may enter Veteran at age 7 years, and dogs 90 pounds or more may enter at age 6 years. A Veteran course will consist of 12-13 exercise signs from any level, including a bonus exercise from the Level 3 Bonus Exercises. Veteran is an off-leash class. In Veteran class, one Additional Cue per exercise may be given without penalty. Please see the Official Rules & Regulations for more details.

#### Flash Program Classes

This program has been designed to feature continual motion by either handler, dog, or both. Courses are intended to reinforce continuity and vitality in the relationship between dog and handler. Flash classes are offered in three levels—Level 1, 2, and 3. There is no distinction between A & B classes. Additional information, rules & regulations are found on rallydogs.com.

#### Food and Touch Rewards

Rewards of food and touch may be given in all classes following the conclusion of any stationary exercise, except when performing shared stations, in which the reward may only be given at the conclusion of the final stationary exercise of a shared station. Handler’s delivery of the reward must be completed before the team moves forward on the course to the next exercise. Use of the reward to induce a desired behavior is considered luring and is prohibited. Rewards may be given in the ring before beginning and after completion of the course performance. A handler shall not otherwise feed or touch their dog during the course performance. Please see the Official Rules & Regulations for more details on the rules for rewards.

**Please note that food and touch rewards are not permitted during course performance in the Flash classes as there are no stationary exercises. The class was designed to promote and test continual motion of dog and/or handler.**

#### Bonus Exercise

A Bonus is an exercise through which additional points may be earned. A bonus exercise is offered on all courses in the regular classes, Levels 1, 2, and 3 and it shall be clearly marked with a “Bonus” placard. The bonus exercise shall be in course sequence, at judge’s discretion, and shall be performed in the normal flow of the timed course at handler’s option. The following rules shall apply for all bonus exercises, whether the bonus exercise has one or two signs: There is no penalty for bypassing the bonus. Please see the Official Rules and Regulations for additional details including the list of exercises from which the bonus is selected for each class.

#### Jump Heights

Dogs are not required to be measured the day of the trial or prior to judging. However, judges have the option to measure any dog prior to his/her performance if the dog appears to be entered in a group lower than might be indicated by his/her registered shoulder height. Jump heights may also be modified or the jump exercise excused entirely based on physical challenges (e.g. age, disability such as blindness, or use of a mobility device) that a particular dog may face.

The following table shows the recommended and minimum allowable jump heights based upon the dog’s height at the withers. The selected jump height shall be indicated on the Entry Form. The “minimum allowable jump height” for each height category is the minimum height permitted without a Request for Modification being made. A handler may select a higher height at their sole discretion but must have designated the height on the entry form.

Height at Withers	Minimum Allowable Jump Height	Recommended Jump Height
12” or less	4”	4”
16” or less	4”	8”
20” or less	8”	12”
Over 20”	12”	16”

#### Time Standards

Each course in all classes has a Maximum Course Time “MCT”. Should this limitation be reached, the course performance is over, and the team’s score will be marked zero. The following table sets forth the MCT for each class:

	Intro	Level 1	Level 2	Level 3	Veteran
<b>Regular Classes</b>	180 seconds	180 seconds	210 seconds	240 seconds	240 seconds
<b>Flash Classes</b>		120 seconds	150 seconds	180 seconds	

**All times will be reported in Seconds to 1/100<sup>th</sup> of a second**
